Dear Friends

Subject: International Summer Camp for active members of
Member Associations, aged 18-22 years

As announced during the General Assembly in Brussels on 27 November 2010, we would like to invite you to forward possible candidates (age between 18 and 22 years) from your Association, who would like to take part in IDF Europe's first International Summer Camp.

This Summer Camp will be organized in Rogla, Slovenia, from 22 July to 29 July 2011.

The aim of the Summer Camp is to bring (a maximum of) 24 young volunteers together and to learn from each others experiences within the Member Associations of IDF Europe and also to organize several workshops on different items that could be of interest to the participants.

The following items will be dealt with during the Summer Camp:

1. Diabetes does not have borders: an international environment can have a positive effect on the development of one's personality
2. Learning from each others knowledge and experiences within a not for profit organisation
3. Skills to be developed in becoming a volunteer in a Member Association and beyond
4. Outdoor Education: exercise, healthy diets and diabetes
5. Management of an organisation (structure, finances, how to find other volunteers)
6. How to become an ambassador for people with diabetes

We would like you to invite candidates from your Association and to send in an application for each person that you think is eligible to take part in the Camp.

The person itself should also in the application form write in 300 words why he/she wants to participate.

All costs for travel and accommodation will be covered by IDF Europe. We expect the person to be fully insured for healthcare and traveling by the Member Association itself (or by him/herself)

The candidate(s) should have a good understanding of the English language, as all lectures and activities will be conducted in English.

We expect your applications before 30 April 2011, after which the Selection Committee will select a maximum of 24 candidates who can take part in the Summer Camp in Slovenia.

With kind regards

On behalf of the Board of IDF Europe
